Counter Faith  
Mention Excellent  
Prix Elinchrom

« Counter Faith » explore une narration personnelle dans le but de comprendre le moteur derrière la construction de communautés fermées en Indonésie, alors que les imaginaires violents de 1998 restent non résolus dans le système de croyances endommagé de la nation.

Counter Faith

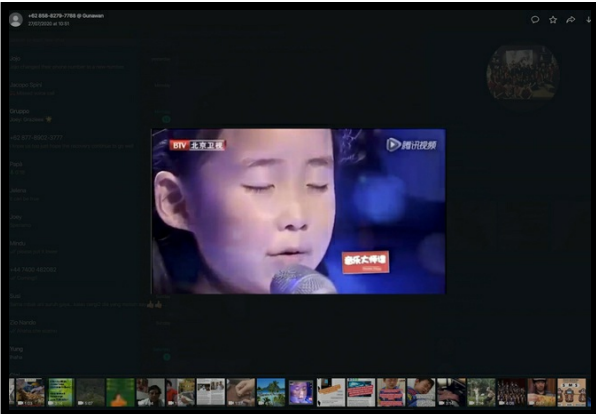

More real than anything else.

while being afraid of someone stealing them.

It's not as safe as I think it is.

Especially after she'd narrate me stories about the spirits living near her house back in the village

I was afraid to be left alone
